

*Australasian
Professional
Legal
Education
Directory—
September 2006*

**A directory of individuals and organisations engaged in
practical legal training and continuing legal education in
the Australasian region**

***The Australasian Professional Legal Education Council
&
The Continuing Legal Education Association of
Australasia***

Foreword

Professional legal education is that part of the legal education continuum which encompasses practical legal training and continuing legal education.

This directory enables those involved in professional legal education to make easy contact with colleagues in other organisations. The contents of the Directory are based on membership of the Australasian Professional Legal Education Council (APLEC) and the Continuing Legal Education Association of Australasia (CLEAA). It may also be of value to those not involved in continuing legal education or practical training but who want to establish links with some bodies involved in this work.

The earlier editions of the *APLEC/CLEAA Directory* were compiled and published by the College of Law.

The 1993, 1994, 1995, 1996, 1997/98 and 1999 editions were compiled by the Centre for Legal Education, as part of its work as secretariat for the Continuing Legal Education Association of Australasia (CLEAA). Editions since 2000 compiled by the CLEAA Secretariat, which operates out of the Leo Cussen Institute. Prior to 2005 all editions were published in hard copy.

Every effort has been made to ensure that the entries are accurate as at 1 September 2006. However, as in all areas, there is an ongoing turnover of people in professional legal education, so care should be taken in using the *Directory*.

How to use the Directory

This directory lists organisations and individual consultants by Country, and where relevant, by State or Territory. Each division contains an alphabetical listing of the organisations within the relevant area. The names of individuals, addresses, telephone and facsimile numbers appear under each organisation listing. Website addresses have been included when available.

The Directory also contains the constitutions of the Australasian Professional Legal Education Council (APLEC), and of the Continuing Legal Education Association of Australasia (CLEAA) together with brief information about these organisations.

An alphabetical index to entries for individual persons and organisations is included towards the end of the directory. The last page is a form, which may be used to notify any amendments to future directories.

The CLEAA Website contains lists of current members, which are updated quarterly. This area of the website is accessible to financial CLEAA members only.

t.b.a. = To be advised.
